General comments

Please ensure that all your child's clothes and possessions are clearly marked with woven name tapes / clearly visible clothes marker.

*** All clothing, without woven name tapes sewn on, will be sent home *
Preferably not iron-on name tapes**

All games clothing can be purchased from Uniformity: www.uniformity.ie
This website clearly outlines compulsory and non-compulsory items of clothing.

Each boy should bring to school an overnight bag containing the necessities for the first night of term. These should include a wash bag, a towel, slippers, pyjamas, dressing gown, indoor shoes and a pullover.

Private clothes may be worn on informal occasions. These should be restricted to two pairs of trousers (jeans or otherwise), two warm sweaters, two t-shirts, outdoor clothing and shoes, one set of which will be put aside for weekend visits.

A hockey stick should be provided in the Autumn and Spring terms. Tennis or squash racquets are encouraged when the child begins to show an interest in these games. It is especially important that all sporting equipment be carefully marked.

Please include this document in the case.
